The logo of the Framingham Department of Public Works is a shield-shaped emblem. At the top, a blue banner contains the word "FRAMINGHAM" in yellow capital letters. The shield's background is red. In the center is a silver illustration of a building with a dome, flanked by two silver laurel branches. Above the building, the words "INCORPORATED 1836" are inscribed. Below the building is a small silver banner with the word "PROGRESS". The bottom of the shield features a blue banner with the words "DEPARTMENT OF PUBLIC WORKS" in yellow capital letters.

MassDOT makes no representation as to the accuracy, adequacy, reliability, availability or completeness of the crash records or the data collected from them and is not responsible for any errors or omissions in such records or data. Under no circumstance will MassDOT have any liability for any loss or damage incurred by any party as a result of the use of the crash records or the data collected from them. Furthermore, the data contained in the web-based crash report tool are not an official record of what transpired in a particular crash or for a particular crash type. If a user is interested in an official copy of a crash report, contact the Registry (<http://www.mass.gov/rmv/>).

The City of Boston Police Department may be contacted directly for official copies of crash reports and for crash data pertaining to the City of Boston. In addition, any crash records or data provided for the years 2022 and later are subject to change at any time and are not to be considered up-to-date or complete. As such, open years' of crash data are for informational purposes only and should not be used for analysis.

The data posted on this website, including crash records and other reports, are collected for the purpose of identifying, evaluating or planning the safety enhancement of potential crash sites, hazardous roadway conditions or railway-highway crossings. Under federal law, this information is not subject to discovery and cannot be admitted into evidence in any federal or state court

The logo of the Framingham Department of Public Works is a shield-shaped emblem. At the top, a blue banner contains the word "FRAMINGHAM" in yellow capital letters. The shield's background is red. In the center is a silver illustration of a building with a dome and a clock tower. Below the building is a silver banner with the text "ESTABLISHED 1790". The shield is bordered by a blue line, and the words "DEPARTMENT OF" and "PUBLIC WORKS" are written in yellow capital letters along the left and right sides, respectively.

CITY OF FRAMINGHAM TRAFFIC COMMISSION

PETITION FOR TRAFFIC IMPROVEMENT, TRAFFIC CALMING, PARKING OR REGULATION CHANGE

Instructions: Please complete this form, including required signatures, and mail it to the address listed below. By using this form, you will help us assess the type of issue or concern you are having with a street in your neighborhood. Each request will be considered separately. Your request will be placed on the agenda for the Traffic Commission within sixty (60) days of receipt. Following a public meeting(s), the Commission will make a determination whether this request merits further action.

Please return this completed form to:

Framingham Traffic Commission, c/o DPW – Engineering Department, 110 Western Avenue, Framingham, MA 01702, or email trafficcommission@framinghamma.gov

If you have any questions, call the Framingham DPW – Engineering Department at (508) 532-6010.

1. Name (please print) _____ Date _____

Address _____

Email _____ Phone _____

2. Please list the street(s) / location / intersection that concern you:

3. Please check each item below that applies to the referenced location(s):

___ Pedestrian/Bicyclist Safety

___ Speeding Vehicles

___ Sign placement

___ High traffic volume

___ Parking Issues

___ Difficult to cross street

___ Sight Distance (for drivers)

___ Poor Road Conditions

___ Other (describe):

4. What time of day do the concerns you have seem most noticeable?

5. Briefly describe the nature of the problem and your request.

6. Provide a diagram or attach a map that shows the subject street(s) and conditions. Attach additional sheet if necessary.

7. Required signatures.

Petitions for intersection control or regulation (traffic signal, stop sign, no turn on red, etc.) require a total of six (6) signatures (including petitioner's) of the residential, commercial and/or nonprofit units located within five hundred (500) feet of the affected intersection. One signature per household or business.

Petitions for parking restrictions, truck exclusions, speed limits, traffic calming, and all other traffic regulations, require a total of at least half (50%) of the residential, commercial and/or nonprofit units which abut the affected street or way, provided that in no event shall more than ten (10) signatures (including petitioner's) be required. One signature per household or business.

Signatures are not required for petitions submitted by the Mayor or a City Councilor; Police Chief or Fire Chief for safety reasons; a member of the Traffic Commission; or City Boards or Commissions. Petitions regarding residential on-street handicap parking shall follow the requirements included in the Framingham Traffic, Parking and Transportation Regulations, as amended.

You may obtain more signatures than the minimum, on additional sheets, to show local support for your request.

Both pictures show a lack of signs when leaving the parking lots stating that this is a one way street

November 11, 2025

Framingham Traffic Commission City Hall
150 Concord Street
Framingham, MA 01702

Dear Members of the Framingham Traffic Commission,

On behalf of the faculty, staff, and families of Chesterton Academy of the Immaculata, we are writing in strong support of the Boys & Girls Club's recent petition to implement vital traffic safety enhancements along Clinton Street, specifically focusing on the corridor between 25 and 36 Clinton Street.

The recent opening of Chesterton Academy, located directly on Clinton Street, has fundamentally changed the pedestrian dynamics of this area. When combined with the daily operations of the Framingham Boys & Girls Club, there is now a significantly increased concentration of students and pedestrians—from elementary-aged children to high school students—who frequently utilize the crosswalk and walk along the street during peak hours.

The existing infrastructure is inadequate to manage this combined and amplified risk. We fully endorse the proposed actions as a critical necessity for public safety:

1. Installation of Rectangular Rapid Flashing Beacons (RRFBs): The RRFBs are essential to overcome the challenges posed by Clinton Street's width and the documented instances of drivers attempting to bypass vehicles stopped at the crosswalk. This high-visibility warning system is the only reliable way to protect students actively crossing the street between facilities.
2. Implementation of Physical Speed Calming and School Zone Designation: With two educational and youth development institutions operating simultaneously, the installation of raised speed cushions or speed bumps is urgently needed. Furthermore, formally designating this area as a School Zone with appropriate signage will reinforce compliance and help mitigate dangerous speeding behavior.
3. Enhanced One-Way Signage: Improved clarity regarding the one-way status of Clinton Street, particularly at parking lot egress points, is crucial to prevent dangerous wrong-way movements that directly threaten the lives of pedestrians.

We view this petition not as a request for convenience, but as an absolute requirement for the safety of our students. We urge the Commission to view this matter with the priority it deserves and approve these combined measures promptly to ensure a safe environment for all youth served in this vital educational corridor.

Thank you for your time and commitment to the safety of our community.

Sincerely,

Nathalie Calvo

Dear Members of the Framingham Traffic Commission,

I am writing to formally express my support for the Boys & Girls Clubs for the installation of a **blinking yellow pedestrian crossing light** on Clinton St. This location serves as a primary route for children traveling to and from the gym and field and the current traffic conditions present a significant safety concern for young pedestrians.

The volume and speed of traffic along this corridor make it difficult for children and families to cross safely. A blinking yellow crossing light would provide a visible and effective signal to alert motorists to reduce their speed and remain alert for pedestrians in the crosswalk. Such an installation would enhance safety, promote responsible driving behavior, and help prevent potential accidents.

This improvement aligns with the community's ongoing commitment to child safety and pedestrian-friendly infrastructure. It represents a proactive and practical measure that would greatly benefit the residents of this community including the St. Stephen's parish.

I respectfully urge the Traffic Commission to consider and approve this proposal at the earliest opportunity. Thank you for your attention to this important matter and for your continued efforts to ensure the safety of our community.

1. Installation of Rectangular Rapid Flashing Beacons (RRFBs): The RRFBs are essential to overcome the challenges posed by Clinton Street's width and the documented instances of drivers attempting to bypass vehicles stopped at the crosswalk. This high-visibility warning system is the only reliable way to protect students actively crossing the street between facilities.
2. Implementation of Physical Speed Calming and School Zone Designation: With two educational and youth development institutions operating simultaneously, the installation of raised speed cushions or speed bumps is urgently needed. Furthermore, formally designating this area as a School Zone with appropriate signage will reinforce compliance and help mitigate dangerous speeding behavior.
3. Enhanced One-Way Signage: Improved clarity regarding the one-way status of Clinton Street, particularly at parking lot egress points, is crucial to prevent dangerous wrong-way movements that directly threaten the lives of pedestrians.

Pastor

Dear Traffic commission,

Hello my name is Valentina and I am a Boy & Girls club member. I have been coming here for 4 year .

I come to the club during the summer and the school year. Crossing Clinton street to go over to the gym and the field to play is getting dangerous. When crossing the street I've seen cars trying to get around me crossing the street, people not stopping for us to cross in the crosswalk, and cars coming close to hitting our staff crossing us.

I am hoping with your help we will be able to get a blincing light to help all the kids and staff cross the street safely. Thank you for your time!

Love,
Valentina

Dear traffic commission,

Hello my name is Melissa and I am a boys & girls club member. I have been coming here for four years.

I come to the club during the summer and the school year. Crossing the street to go over to the gym and the field to play is getting dangerous

- while playing outside I have noticed
- cars stopping at the very last minute
 - speeding cars
 - cars driving the wrong way

Please help us cross the street safely.

Thank you,
Melissa
